We Simply Do It Better
CELEBRATING 20 YRS IN BUSINESS

ROLLASHIELD SHUTTERS

Rollashield shutters not only offer protection and peace of mind, they provide a more comfortable and eco friendly environment. Lightweight yet extremely strong, the curtain area consists of an aluminium skin injected with a polyurethane foam for added strength and insulation qualities. Manufactured right here in Australia, discover for yourself why more and more people are taking advantage of this truly multi-functional product.

SECURITY & PEACE OF MIND

Present an immediate visible deterrent, protecting your home against burglary and vandalism.

INSULATION

Thermal insulation properties that reduce the effects of summer heat as well as retaining the warmth during the colder winter months.

CONTROL YOUR ENVIRONMENT

Prevent the sunlight from fading your carpets and interior furnishings as well as acting as a long term protection for window frames.

PRIVACY

Offers you privacy during both day and night. You control the extent by simply adjusting the shutter to suit your needs. When fully open the shutter curtain is completely out of sight leaving you unrestricted views through your window.

BUSHFIRE PROTECTION

Extensive testing has been carried out in conjunction with the CSIRO, resulting in a 29kw/ m2 rating for AR400 Series Shutters (Technical Assessment 306) and BAL 40 (Bushre Attack Level 40) for AE401 Extruded Shutters for the protection against radiant heat from bushfires.

REDUCE ENERGY COSTS

The cost of heating and cooling your home is substantially reduced all year round making this product an ideal investment for the future. (Reduce on energy costs and the damaging affect on the Environment)

OPERATION

Operated either electronically, manually or with the unique E-Series Drive System. Importantly your shutters are operated from inside your home to further enhance the security and convenience aspect.

E-SERIES

With operation at the touch of a button this unique and affordable motorised control system is battery operated and therefore not reliant on mains power.

FEATURES AND BENEFITS

NOISE AND LIGHT

University tests have proven that roller shutters have a positive affect in the reduction of noise levels from outside of the home. Light and ventilation can be adjusted to create a pleasant, softly lit atmosphere.

240V ELECTRIC MOTORS

Hardwired 240v Electric motors are available in either Standard with a fixed Wall Switch or an RTS version operated by a 1 channel or 5 channel Handheld Remote.

Also available with solar charging.

Please see our E-Series brochure for more details.
